CONGRATULATIONS!

Welcome to Little Aledos – Where Big Dreams Begin!

You've been selected to join Aledo Soccer Club for the 2026 Spring Season, and we couldn't be more excited to welcome you to the Little Aledos family!

The Little Aledo's is a developmental soccer program for boys and girls ages 6 and younger (birth years 2019 and younger). It is designed for young stars who are wanting to learn more about soccer. This program will shape and equip players to transition into the Pre Academy or Academy teams as they grow in age and with the ball.

Players train twice per week, during the week- 1 session designed for training and the other session designed to showcase what they have learnt in fun in-house games – all within the club –no tournaments or travel required. The focus is on building fundamental skills, confidence, and teamwork in a supportive, community-oriented environment that keeps soccer exciting and low-pressure.
