2026 SPRING PRE-ACADEMY PROGRAM AGE 7–9 (BIRTH YEARS 2018–2016)

10 WEEK SEASON
MAR 3RD - MAY 14TH

PLAYER OFFER PACKET

The Pre-Academy is a developmental soccer program for boys and girls ages 6–10 (birth years 2016–2020). It's a fun, skill-building bridge between recreational soccer and our competitive Academy pathway.

Players train weekly with licensed coaches and play in-house scrimmages within Aledo SC—no tournaments and no travel required. The focus is on fundamentals, confidence, and teamwork in a supportive, community-driven environment that keeps soccer exciting and low-pressure.

Ideal For

The Pre-Academy program is perfect for young players and families who:

- Are new to club soccer and ready for more structure and coaching than basic recreational leagues.
- Have enjoyed recreational teams but aren't yet ready for the travel and intensity of full Academy programs.
- Want a balanced approach—professional training and development without the heavy time or financial commitment of a competitive travel team.

Why Pre-Academy

We created this program to make soccer accessible, exciting, and development-focused—without the time, travel, or cost of full Academy. It's the perfect stepping stone for players to grow, build confidence, and keep loving the game.
