Welcome to The Little Aledos Summer Series!

You've been selected to join Aledo Soccer Club for our brand-new Little Aledos Summer Series, and we couldn't be more excited to welcome you on this journey through the Summer.

The Little Aledos is a developmental soccer program for boys and girls ages 6 and younger (birth years 2019 and younger). It is designed for young stars who are wanting to learn more about soccer. This program will shape and equip players to transition into the Academy teams as they grow in age and with the ball.

Our Summer Series keeps players active, learning, and having fun all summer long — with the added bonus of cool, air-conditioned indoor Futsal games on Friday nights at Frontrunner Fieldhouse to beat the Texas heat. Players will attend sessions twice per week: one outdoor training session in Aledo, and one indoor Futsal League game at Frontrunner Fieldhouse against other teams of the same age — all within the club, no tournaments or travel required. The focus is on building fundamental skills, confidence, and teamwork in a supportive, community-oriented environment that keeps soccer exciting and low-pressure.
